The Honorable Kay Granger
Ranking Member
Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Alhambra Comprehensive Sustainability Plan in fiscal year 2022.

The entity to receive funding for this project is the City of Alhambra, located at 111 South First Street, Alhambra, CA 91801.

The funding would be used to complete a Comprehensive Sustainability Plan to meet the community's current environmental, economic, and other needs without compromising the ability of future generations to do the same. In order to understand and develop appropriate sustainability goals, the plan will provide important sustainability information, empower the Council and the community, and motivate actions and commitments toward various indicators including affordable housing, open space, land use development, solid waste, energy and water use, renewable energy, greenhouse emissions, mobility, transportation, and economic vitality.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
