Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Multimodal Improvement Project at Valley Blvd (project) in fiscal year 2023. The entity to receive funding for this project is the City of Alhambra, located at 111 South First Street, Alhambra, CA 91801.

The funding would be used for improving safety and accessibility along a predominantly motorized dependent roadway that is one of the busiest activity nodes in Alhambra and the San Gabriel Valley region, with heavy congestion during peak hours. Specifically, the project improves access to transit via pedestrian and bicycle infrastructure improvements as well as bus stop improvements. The project promotes multiple clean transportation options through upgrades to bus stops, pedestrian infrastructure, and bike routes to encourage greater active transportation use.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Judy Chu

Member of Congress
