Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the San Gabriel Valley Mobile Crisis Program.

The entity to receive funding for this project is the San Gabriel Valley Council of Governments (SGVC\OG), located at 1000 S. Fremont Avenue, Suite #42, Alhambra, CA 91803

This funding will be used for establishing alternative mobile crisis response teams to respond to and improve the outcomes of non-violent service calls and proactively engage youth on mental health. By dispatching clinicians and peer support navigators to non-violent service calls, the Program will foster and build trust in communities that are calling out for change while freeing up law-enforcement to respond to the types of calls they are trained to handle. Importantly, the program will also proactively engage with the community around mental health resources to reduce the instance of mental/behavioral health crises from happening in the first place.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Judy Chu

Member of Congress
